

^^The Overview^^

Ali Masdani's debut album "Songs to Break a Sissy's Heart" is full of crispy pop melodies that are more fun than a bucket of chicken. Inventive arrangements, mischievous lyrics, and a fresh vocal delivery foreshadow the successes for which this emerging popsmith is destined. Recorded on a budget that was meant to go to a month's worth of groceries, Ali Masdani has created an album that demonstrates how immense creativity can rise above the financial limitations of pennies in a sock.

Ali Masdani's True or False Quiz

- *Ali borrowed a keyboard from a grade 5 class to record most of this album?
- *Ali destroyed the master recordings for "Songs to Break a Sissy's Heart"?
- *Ali used to perform at open mic nights in Montreal wearing a bear mask?
- *Ali is currently enrolled at law school in Vancouver?

Answers: the answer to all questions is true.

Welcome to the Show, Buster Records

"Songs to Break a Sissy's Heart" is not only Ali Masdani's debut LP; it is also the initial commercial release by the newest addition to the Can-pop landscape, Buster Records. With a mission to build a micro-label that will bring to market the works of talented, young, and undiscovered artists, Buster Records promises music that will sock your knocks off.

Buster Records is located in Kingston, Ontario-- smack dab in the middle of three of Canada's largest urban centres-- Toronto, Montreal, and Ottawa.

"The record sounds like the beginning of something good... as though he is starting to realize a greater vision."
